Basketball 1971

The 1970-71 Basketball season for the Klemme Shamrocks was hurt by injuries which was evident in the seasonal record of 6 wins and 12 losses. The season will prove to be helpful for the players next year because of the valuable experience they have gained through their play this year. Klemme dropped the first round sectional game to Twin Rivers of Bode.

HOMECOMING ACTIVITIES

The Klemme Homecoming was held Friday, October 9, 1970, when our Klemme Shamrocks met the Kanawha Bulldogs.

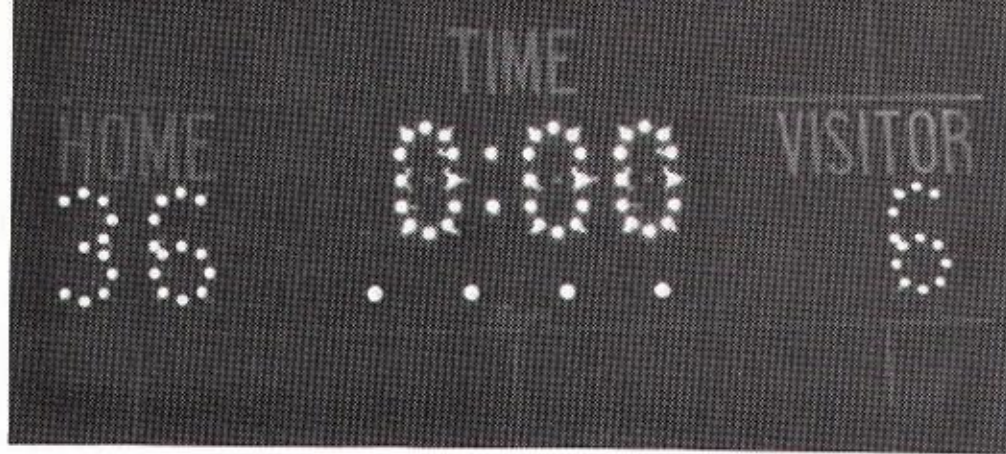

The Homecoming activities got under way Thursday evening when each high school class presented a skit. The Sophomores put on the winning skit, which was entitled, "Shamrock Victory Kitchen". There was to be a bonfire and a snake dance but the activities were confined to the gym because of the weather. The activities continued on Friday when the Homecoming parade was presented followed by a pep rally. The float judging results were Senior class winning with their float "Touchdown Bound". The Freshmen float won second and the Junior float won third. The Pep Club and Student council decorated the float that carried the football players and convertibles carrying the king and queen candidates.

In the evening the Klemme football squad had a triumphant victory over Kanawha, 36-6. This was Klemme's first Homecoming victory. During halftime activities the candidates for Homecoming king and queen were presented. Vernetta Goodrich and Mike Denny crowned Queen Carolyn Franzen and King Rex Alden. The Klemme band played "Romeo and Juliet" honoring the king, queen, and their court. The festivities were climaxed with the Homecoming dance with music provided by the "Fresh Air".

Ah Gorsh!

The fall play, "Hillbilly Weddin'", was presented by a cast of 21 KHS students on November 13 & 14th. This play centered around a father having some difficulties finding husbands for his six daughters. The eldest daughter, Celie, played by Shirley Smith, scared off any prospects because of her pet rattlesnakes. Then Bonnie Mae, played by Mary Hall, was more interested in her books, and Junie Lou, played by Renee Brinkman, already had herself a boy friend but couldn't get married until her two older sister's got hitched. The problem is solved when a wealthy city doctor arranges to take Bonnie Mae back to the city for nurses training a neighbor boy asks to marry Celie on the one condition that she gets rid of her snakes.

This play, Directed by William Friedow & student director Mary Brekke, drew a full house both nights it was presented.

That dumb dog?!

By jingo!

"Cheaper By the Dozen" was presented by the drama department for the spring play. This play concerned father and his program to promote efficiency and eliminate wast motions. The children could not understand their father's hurry to carry out the program. What the children didn't know was that he had a heart condition and was looking out for their future welfare.

Christmas, is that your family or is it a picnic?

BAND

Who's that sharp-looking band with the new overlays and tall, black hats? Why, it's the Klemme Shamrock marching band! The marching band kept in practice all summer because they performed in the Memorial Day, Band Festival, Garner Centennial, Dairy Pageant and Labor Day parades. Last fall, they were kept busy working on routines that were done at the half-times of the football games. This took much time and practice. After football season, they began to prepare for small group contest. They received 2 firsts, 15 seconds, 4 thirds and 1 fourth. On May 2 the Band traveled to Sheffield, where they received a II rating. During the year, the band also performed in concerts. After six years with us, Mr. Mortenson is leaving. He will be missed by everyone.

Klemme's vocal music department was kept quite busy this year, especially with the small and large group contests. They traveled to CAL for small group contest, where they received 5 firsts, 15 seconds and 11 thirds. At group contest the girls' glee received a II, while the mixed chorus and boys' glee received III ratings. Throughout the year, the chorus also sang in 5 concerts.

SENIOR TRIP

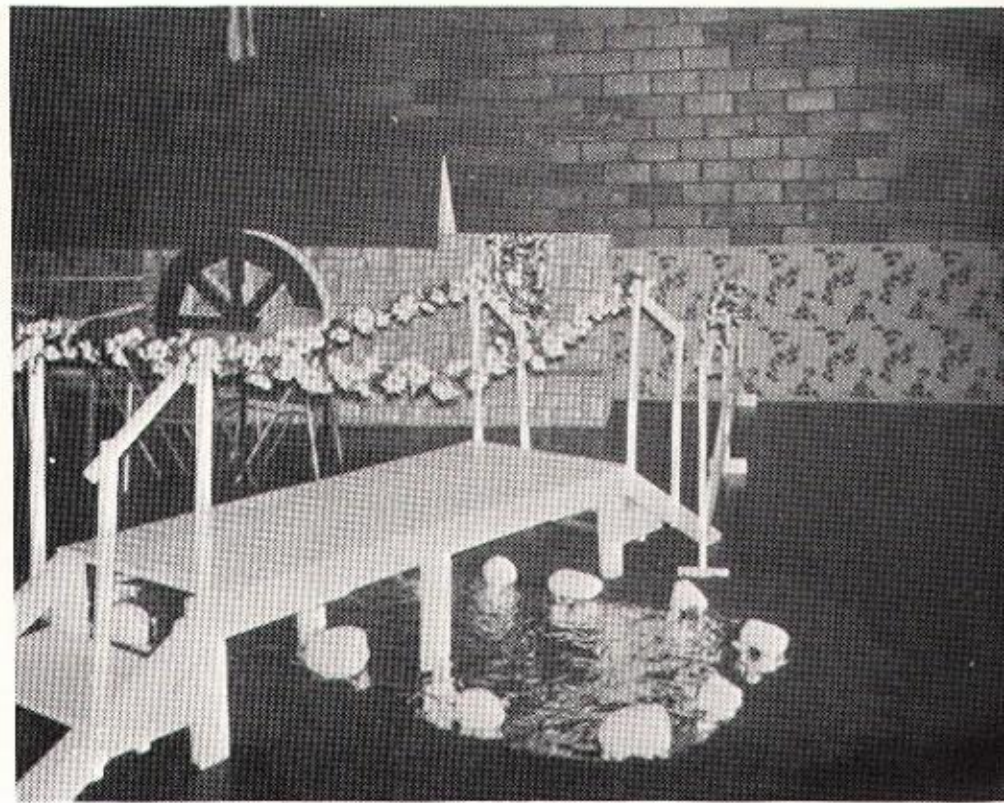

On Friday, May 14, 1971 at 2:30a.m. the Class of '71" took their Senior Trip to Omaha, Nebraska with Mr. Goodrich and Mr. Peters as chaperones. We first went to the airport for breakfast. We then traveled out to Boy's Town, and then on to the shopping center to eat lunch and do some shopping. After this we went to the Omaha Campus, Henry Doorly Zoo, and then to the Top of the World Dining Room. We then saw "Ryan's Daughter" at the Indian Hills Cinerama in Omaha. We got home very tired at 4:30a.m. on Saturday.

CLASS OF 1971

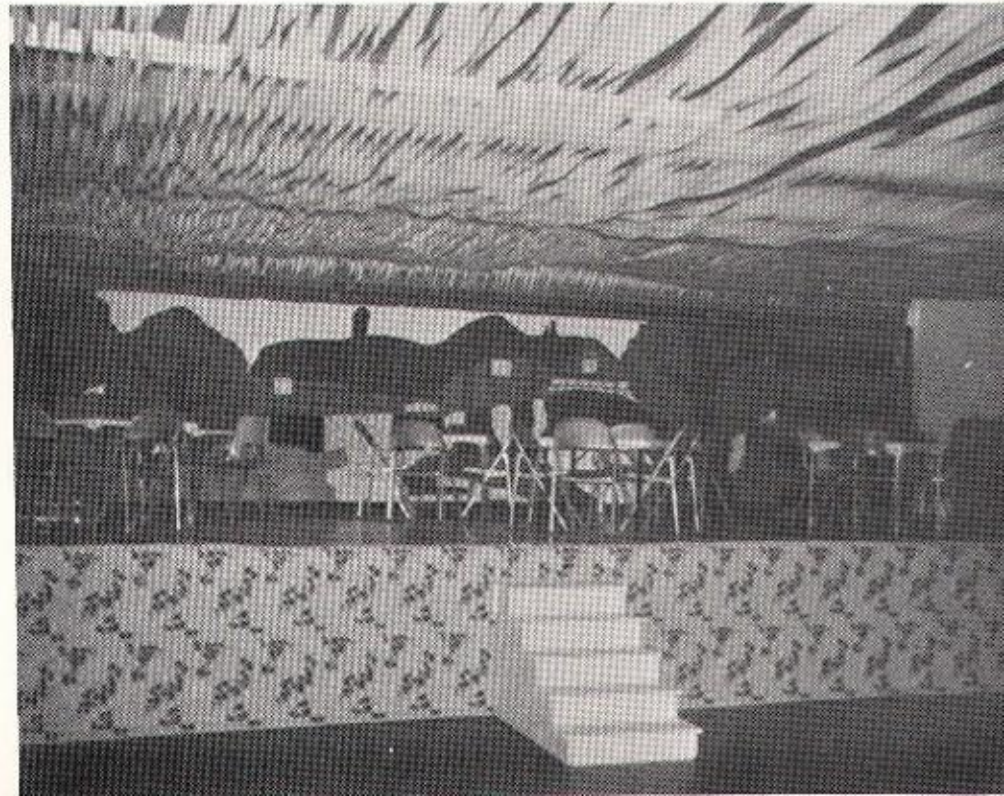

We've only

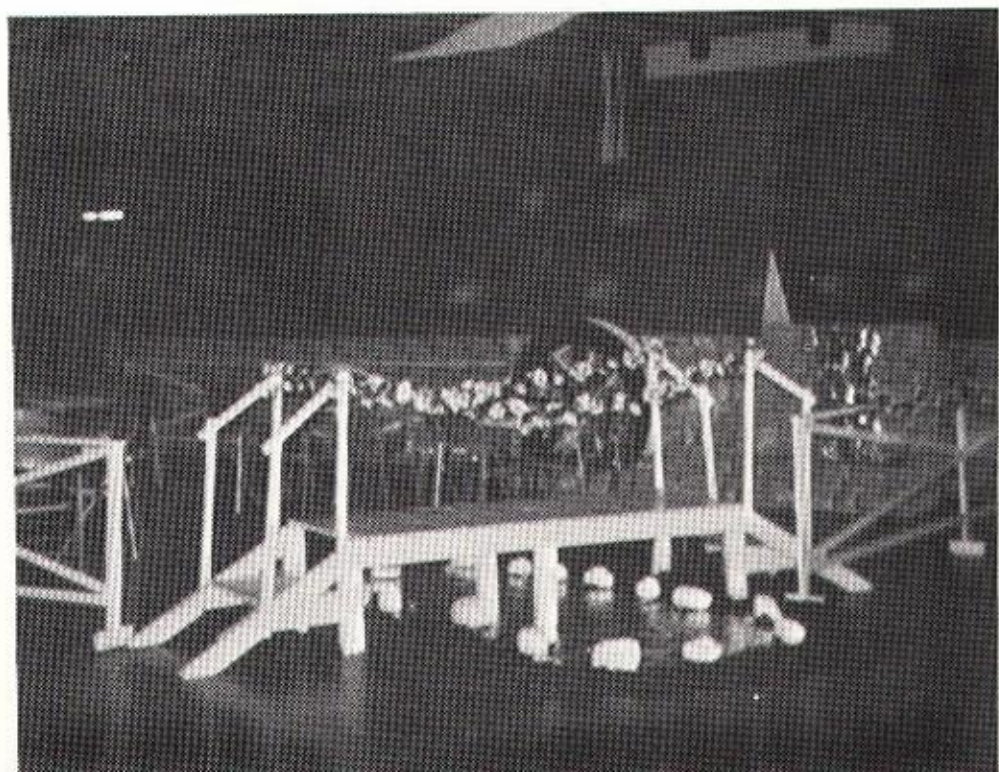

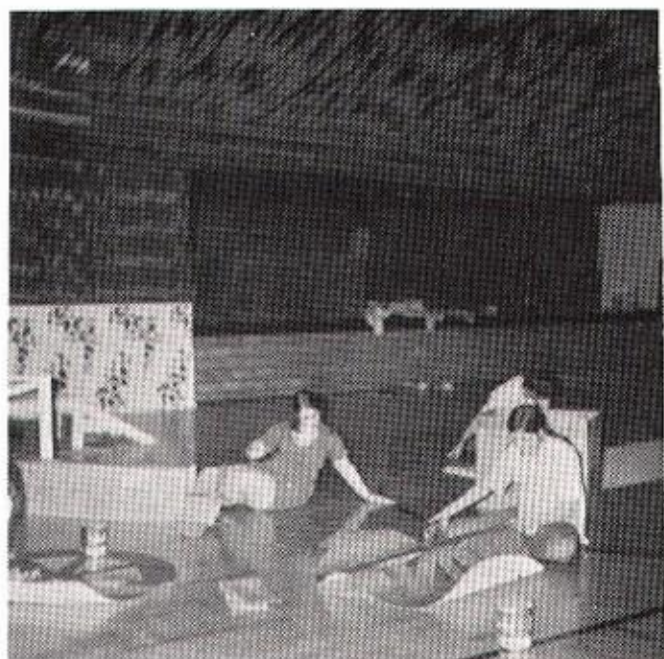

"We've Only Just Begun" was the theme of the Klemme High School Junior-Senior prom held the evening of April 24th at 6:30 p.m. The banquet held in the multipurpose room, was followed by an entertaining program. Tom Busch was the guest speaker. Also included in the program were the junior class prophecy given by Susan Lemke, the senior class was given by Mary Brekke, the junior girls sextet sang "We've Only Just Begun" and Wayne Flaten sang "Where Do I Begin."

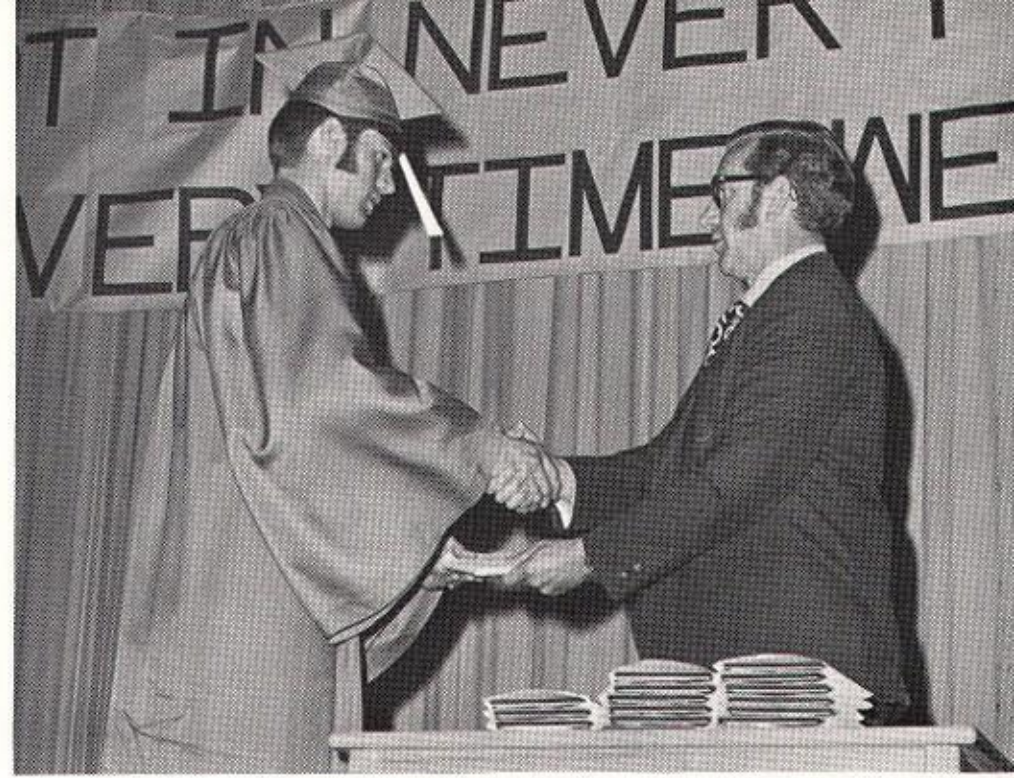

Mike Denny, master of ceremonies, introduced Marjorie Nannenga and Myrna Groesbeck, presidents of the junior and senior class respectively. Marjorie gave the welcome and Myrna responded with the thank you from the seniors.

The program concluded with the closing given by Dean Stromer, who invited all to the dance at which the "After Flash" from Oelwein played.

Student Council

The 1970-71 Student Council has been active this year. We started off by including floats in the homecoming parade. Each class in grades 7-12 constructed a float. Prize money was donated by the Booster Club and the Lions Club for first, second, and third place floats. The Student Council members and sponsors set up the concession stand for each home basketball and football games. Three members and Mr. Hasenwinkel attended the State Student Council Convention at Ames where new ideas were picked up. In February three Klemme students and three Dows students were exchanged for one day. Each student observed the modular system and then brought back some suggestions and comments. The Student Council also made a suggestion box for the library and contributed to the football scoreboard fund.

The 1970-71 school year proved to be very interesting as well as informative for the Future Business Leaders of America. There were many interesting guest speakers and a panel discussion made up of town businessmen which proved to be of great value for the club. Our field trip to Mankato was both educational as well as fun. We toured Mankato State University and the Shari Candy factory.

The Klemme chapter of the Future Teachers of America had a busy club this year. Throughout the year, members assisted teachers in the elementary, junior high, and high schools. We held a joint meeting with the Spanish Club, a trip was made to the state FTA convention at Ames, and a bake sale was held. Since special education was stressed, we had several interesting speakers attend our meetings and the highlight was visiting the Happy Arc at Garner. To complete our eventful year, a picnic was held and officers for the coming year were elected.

PEP CLUB

The Klemme Shamrock Pep Club started out the year with a new member drive which proved to be successful. A total of 60 members were rounded up. We were a very active group that accomplished quite a bit this year. Our money making project of the year was that of selling zip code books. With this money the club purchased material to make a North Star Conference standing board. Another project that the Pep Club undertook was that of making uniforms of the school colors. These uniforms added a sense of unity, color, and spirit to the cheering section. The Pep Club also went in with the Student Council to construct a float for the football players in the Homecoming parade. Throughout the year members made posters for the games and showed good school spirit. The Pep Club also put on a halftime show at a football game. The show was put on in behalf of the football players dads. Future plans of the Pep Club are to purchase or make banners for the gym and send the cheerleaders to a cheerleading camp.

The Science Club started off a very active year by touring Schoitz Memorial Hospital in Waterloo in the fall. In the spring they visited the National Disease Laboratory in Ames. Our first science fair was highly successful and included many varying exhibits. "Earth Week" was observed by the Science Club by cleaning the road-side ditches coming into town. It proved to be a worthwhile and enjoyable year of science.

Spanish Club

At the beginning of the year the officers and seniors had the pleasure of inviting the freshman into the Spanish Club. These new members were initiated in September.

A standing committee was appointed by the president. This committee was chosen to plan money-making projects for a future trip to Mexico. These various projects include a few bake sales, a candy sale, and setting up a food stand at District Speech Contest.

The Spanish Club also invited a foreign exchange student, Maria Amedia, to speak at a joint meeting with the FTA.
